Dear Friend:

Thank you for your interest in Hannah's Haven, A Teen Challenge Center. Hannah's Haven provides a safe and stable environment for women who are in recovery from substance abuse. Drug and alcohol addiction is at an all-time high in the United States. According to the SAMHSA (Substance Abuse and Mental Health Services Administration) there are at least 23 million people who have used illicit drugs in the past thirty days. For us to understand the impact on society -- the population of Oregon, Washington, Idaho, Montana, Alaska, Wyoming and the Dakotas is less than 23 million. Every person who uses illicit drugs directly affects a minimum of five other people. We have an epidemic in America!

Since 1958, Teen Challenge International centers have been recognized nationally as providers of services for those who desire to transform their lifestyle and develop a new life free from the devastation of drug and alcohol abuse.

Hannah's Haven is a hands-on residential program. Founder, Bonnie Cherry knows firsthand the devastating effects of drug abuse, as well as the life transforming power of Christ. For more than a decade, Bonnie has been proclaiming the Good News of Christ to others in spiritual, emotional and physical bondage. Bonnie loves the Lord and has a sweet spirit that draws hurting people into the presence of God.

It is our heart's desire to share what God is doing to transform lives at Hannah's Haven. **One way that you can join us in serving God's ministry at Hannah's Haven is by inviting Bonnie and our students to share at your church or organization.** Our prayer is that through song and testimony we will glorify Jesus and encourage others to know Him personally. It is our privilege to honor God in this way.

Please, check your calendar for a convenient date and time for us to come and share all that God is doing. I can be reached at 336-656-1066. We look forward to hearing from you and watching how God moves to further His kingdom. Thank you for giving us the opportunity to share about Christ's love to restore hurting women.

With gratitude,

Virginia Cornell
